London

Dec 4. 1875.

Dear Sir,

We beg to acknowledge the receipt of your letter of Nov 28 and have much pleasure in communicating your wishes to the translator of your work.

With reference to the time of publication we fear we shall not be able to meet your views.

The gentleman with whom we have arranged to translate the work is very much occupied, and he has already informed us that he could not undertake to complete his translation in less time than six months.

It is therefore probable that we shall not publish our edition before next autumn.

Under these circumstances unless you  
postpone publishing the original we fear  
we shall not be able to arrange for a  
simultaneous publication.

The translator desires us to mention  
that he is well known to Professor  
Kovács of Klausenberg, who, as well as  
several other ministers of the Unitarian  
Church of Transylvania has been his  
pupil in Hebrew & Old Testament  
criticism.

We are, Dear Sir  
Yours faithfully

Dr Goldziher
